Do you value professional development as the tool to keep up-dated on innovations, new research, best practices, technology and classroom resources?

Were you unable to attend the annual ACE of Florida Conference?

Do you need to earn in-service points or CEU's?

Here is your opportunity to catch up on what you missed and receive quality professional development training.

The ACE On-Line Professional Development Offers:

- Training for administrators, full-time and part-time teachers, literacy volunteers and adult education practitioners.
- Convenience for participants who can set their own schedule and location—no travel.
- Ability to choose as many concurrent sessions as needed.
- Cost is only \$30 per concurrent session, \$45 for the super session.
- Each participant will receive a Certificate of Completion after passing the brief post-test for each concurrent session.
- Participants may use the on-line training sessions for in-service points/CEU's. (At the school district's or college's discretion.)
- New On-Line sessions will be added in November 2012.
